1. RATE

The rate of tax is determined from the total retail stores operated under the same general management, supervision, ownership, or control, wherever located, including those located within Jonesboro. Refer to License Tax Schedule above.

2. AMOUNT

The amount of tax due to the Town of Jonesboro is determined by applying the rate of tax to the total retail locations nationwide.

3. INTEREST AND PENALTY

If return is not filed and tax paid before March 1 each year, there will be added to the tax interest at the rate of 12% per annum until paid and penalty at the rate of 5% for each thirty days of delinquency, not to exceed 25% in the aggregate.

4. NEW BUSINESSES ADDED DURING YEAR

Stores opened after January 1st shall be treated as though opened January 1st. Stores opened after June 30th shall be charged one-half of the annual rate for the first year.
