\*A "Scrap/Salvage" designation denotes that the Town has determined that the item is no longer fit for its intended purpose and a buyer is most likely going to resell the item as scrap or salvage after removing desired parts or components.

\*\* Starting Price means the price at which a minimum bid will be received. Starting Price does not mean Fair Market Value. Fair Market value is determined by the highest reasonable bid accepted by the town which is often higher than the Starting Price. The Town reserves the right to reject any high bid for any reason, including failure to represent the fair market value.

WHEREAS, no single item to be sold has a known value exceeding \$5000 [*information: items with a value which is known to exceed \$5000 should be declared surplus by ordinance – items listed below \$5000, however, may, and often are, sold for more than \$5000 – an ordinance is not required if that should occur*];
